

DJI CARE REFRESH

Replacement Service for Peace of Mind

Universal Service

Replacement Service

Up to four replacement opportunities provided at lower prices than most repairs.

Covers Water Damage and other Accidents

Replacement service covers accidental damage caused by faulty operation, collisions, and water

Express Option and Free Shipping

A replacement product will be directly shipped to you as soon as the DJI repair center receives the damaged one. Shipping costs both ways are covered by DJI

Official Warranty, Guaranteed Quality

During the DJI Care Refresh service period, the main parts remain covered by the official warranty, bringing longer protection for your product.

Just for Handheld Products

Global Service and Support

Have access to service at any DJI authorized repair center globally (only available for select handheld products)

Just for Drones

Flyaway Coverage

Get a new product if the aircraft flies away or becomes disconnected and goes missing (only available for select drone products)

* Exclusive Repair Discounts(for select products), Factory Maintenance (for select products)

DJI CARE REFRESH	Coverage Period	Number of Replacements	Official Warranty
